

# OLD WORLD STONE VENEER PRICES Foundation Series

## IMPORTANT INFORMATION: READ THIS FIRST

- The "Price/Ft." column is per the unit of measure shown in the "Measured By" column (SF = Square Foot | LF = Lineal Foot).
- All items are sold by the crate or box, but the price per foot is shown for reference. The "Price/Ft." column may be rounded to the nearest cent.
- There is no charge for wood pallets or crates.
- Footage per crate/box is based on packed coverage. Coverage with a mortar joint may be slightly higher than listed footages.
- All weights are approximated based on averages, and variances should be expected. Weights are shown in pounds.
- Since it is natural stone, the color, size, and texture of Old World Stone Veneer products may vary from samples, photos, and displays.
- Some cutting, trimming, and fitting may be required to match the appearance of samples, photos, and displays.
